- The email is going to be what is on file for the Council and Training center or use your UBC ID.
- Your password would be your last 4 of social until you change it
- If you have not created an account click here.
- If you forgot your credentials then click here as well
- Once this is complete then it will take you to the home screen

LOCAL #432  
Pittsburgh, PA

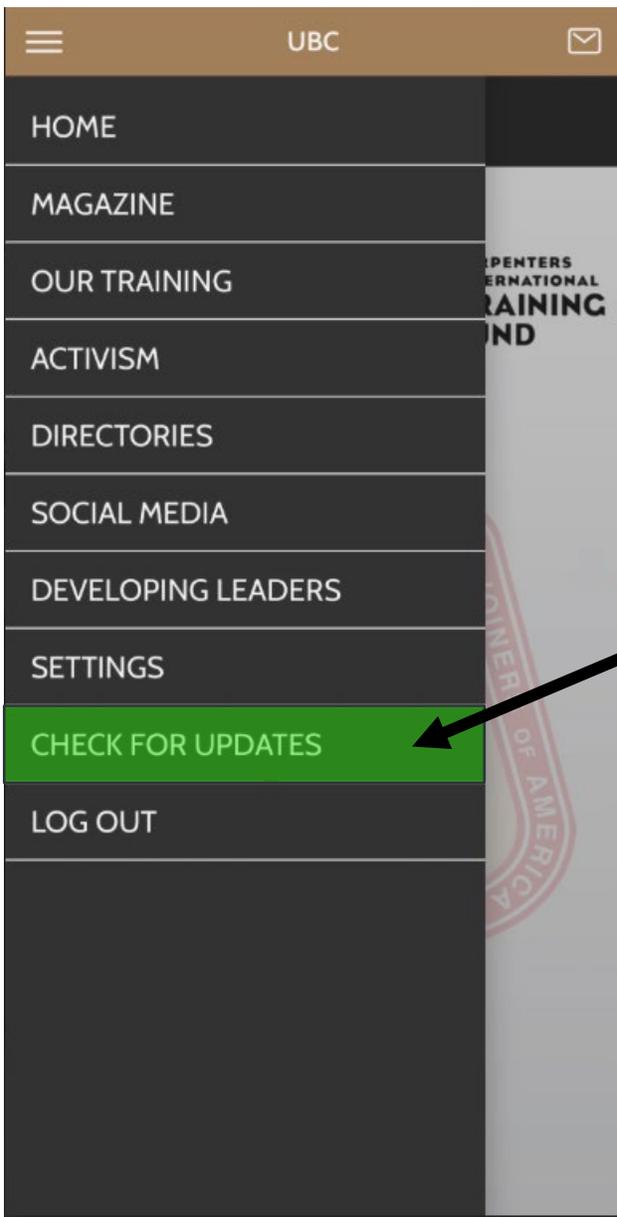

# UBC Mobile Home Screen

- On this screen you are able to access your TVC and Member portal.
- If your screen does not look like this then you need to click at the top left where there is 3 lines.
- You will need to update this app interface and follow the prompts.

# UBC Mobile App Updates

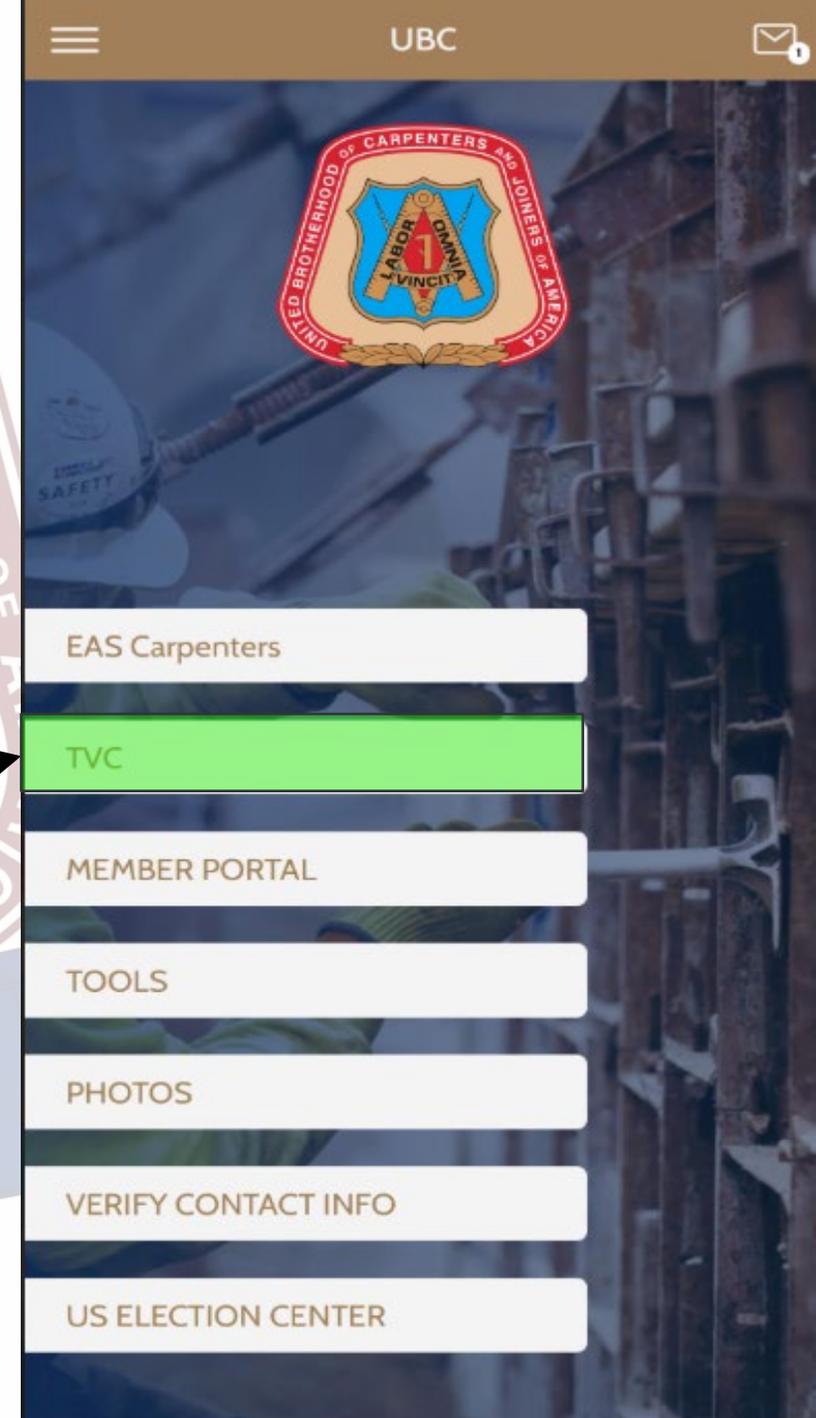

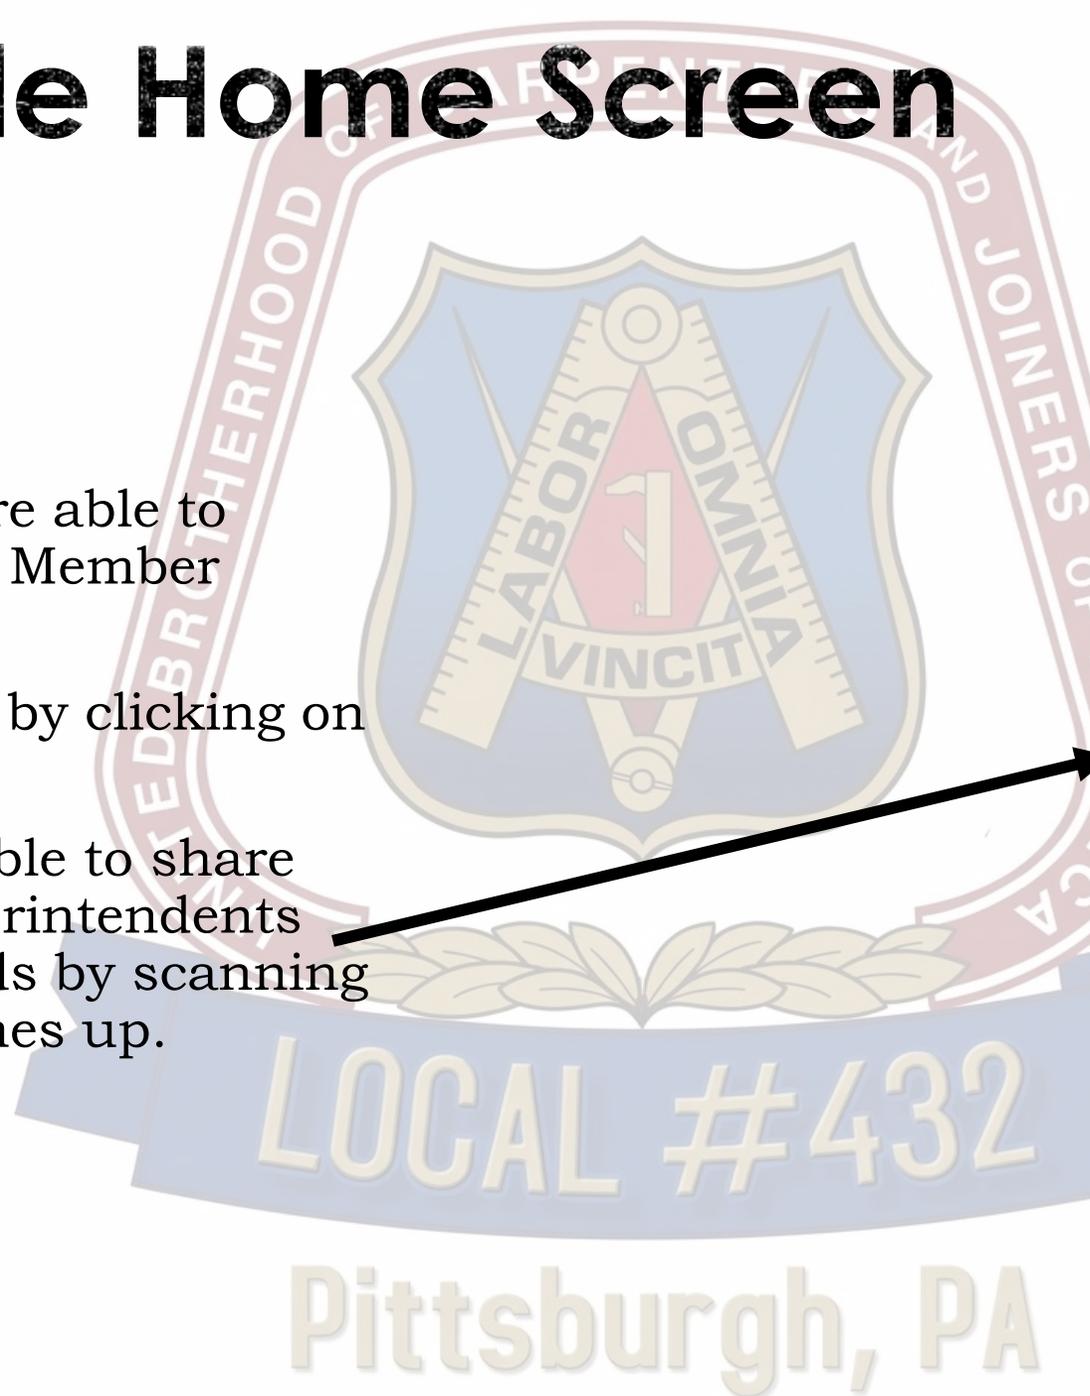

- This is where you click to update your app to be able to access your members portal.
- Once you have the current updates completed it will tell you that the system is up to date and you are good to go.

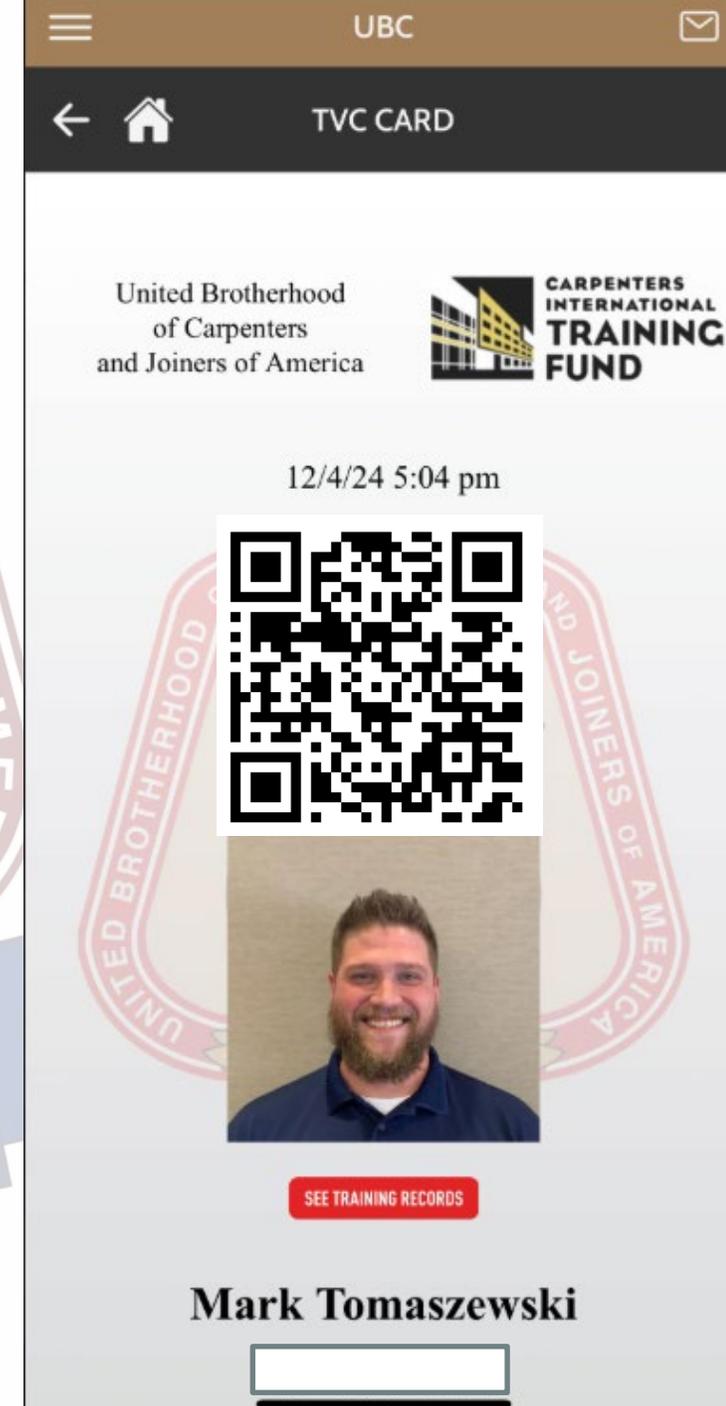

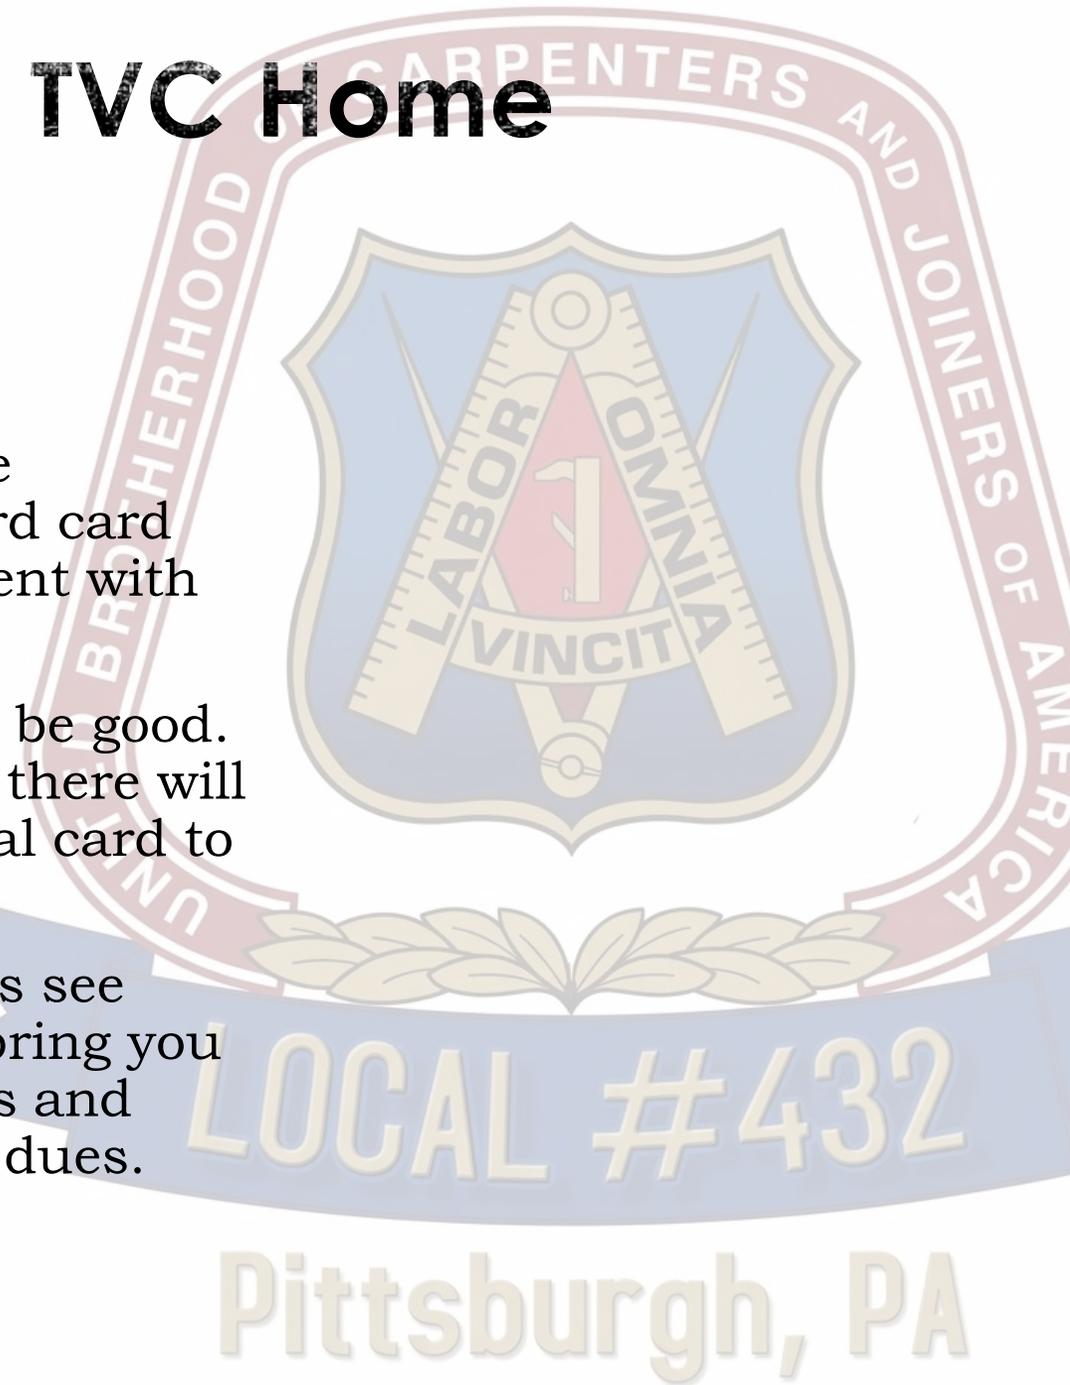

# UBC Mobile Home Screen

- On this screen you are able to access your TVC and Member portal.
- Access you TVC card by clicking on TVC.
- Once in you will be able to share with foreman or superintendents that need your records by scanning the QR code that comes up.

# UBC Mobile TVC Home

- This QR code will be the replacement of your hard card and will always be current with dues and trainings.
- Your hard card will still be good. If you lose or damage it there will no longer be the physical card to get.
- If you click where it says see training records it will bring you into the training records and paid through with your dues.

# UBC Mobile Training Records
